

# Gifts of Grain

You have a unique opportunity to make a “before taxes” charitable contribution of raised commodities that can be readily marketable by Real Presence Radio.

### Steps to Make a Charitable Gift of Grain:

- 1 - Contact Real Presence Radio advising that a gift is about to be made.
- 2 - Complete this form regarding a Gift of Grain. Indicate the quantity and type of grain being contributed. Please send to: **Real Presence Radio / 503 7th St. North # 101, Fargo, ND 58102 / 877.795.0122**  
[Brittany@RealPresenceRadio.com](mailto:Brittany@RealPresenceRadio.com) This form should be received prior to delivery at the elevator, if possible.
- 3 - When you deliver the gifted grain to the local elevator, tell the grain elevator to issue a storage or scale receipt in the name of Real Presence Radio (RPR). See account information below. The storage or scale receipt is the evidence that ownership of the grain was transferred from the producer to RPR. Have the storage or scale receipt sent to RPR at the address in step 2.
- 4 - RPR’s policy is to sell grain immediately upon delivery. Because RPR is the owner of the grain following your gift, the producer may not instruct the elevator to sell the grain. The elevator may however use this document as an order to sell the donated grain. If the elevator requires a signed contract to sell the grain, it must be sent to RPR for signature. The contract may be mailed or emailed (see step 2).
- 5 - Remind the elevator to issue the check for the sale of the grain to the RPR.

It’s important that these steps be followed in order to receive the intended tax benefits from a gift of grain. Failure to follow these steps may result in the IRS treating the transaction as a sale by the farmer resulting in a contribution of cash. Please consult your tax advisor to determine whether a contribution of this type is appropriate for your tax situation.
